Text A:

If the weather is good, our school is going to visit the History Museum next Tuesday, 12 October. The bus will leave from the school at 8:00am. The museum closes at 4:00pm so we will be back at about 5pm. The entrance to the museum is free for school students and teachers, but please note that the cost of the trip is 30 Euros and this includes transport to and from the museum, a guided tour and a light snack meal after the visit. If your child wants to take part in this trip, please send the money to the headmaster by 8 October.

Text B:

The History Museum in the city centre re-opened in September after two years. Now all the rooms are painted and decorated nicely. It has wonderful exhibitions which show the old and the modern world. The ticket prices are on our website. If you want to make the museum more beautiful, you can pay a little extra, and buy a 'Friends of the Museum Ticket' for 5 Euros. The museum is an ideal place for families. Its restaurant offers snacks, sweets and drinks, and on sunny days, there are also a lot of things to see from the terrace. You can take a guided tour through the museum and listen to very interesting comments about the exhibits.

Text C:

Today my class visited the History Museum. It was very interesting to see all the new rooms and I also enjoyed the guided tour very much. We were sitting around on the floor and the guide told us lots of things about Greek and Roman art. In November we are going to do a history project on this topic and I think I will use what I learned here. The cost of the trip was very low so I'm so glad I went. I also bought a book in the museum shop. I wanted a bookmark too but the shop is very expensive.
