Picture Story - (Történetmesélés) 2 mins for each candidate

Before the test the candidate receives a picture story with an opening line; the task is to tell the story. The candidate has had ten minutes to prepare a story. The candidate may make notes in the preparation stage, but should not read aloud from a prepared script.

You will now talk about your pictures. Lara, here are the pictures and your notes. Please tell us your story.

OK. Susie and Jamie are hungry, but there is nothing in the fridge. So they have an idea, they go shopping. ...

The other candidate then tells their story

You will speak for 1 minute.

The story starts like this: Susie and Jamie are hungry.
